

USAID | INDONESIA

FROM THE AMERICAN PEOPLE

U.S. Agency for International Development (USAID), American Embassy is recruiting Indonesian Nationals only for a **Family Planning and Reproductive Health Project Management Specialist** position (**Post Code: PMS-FMRH**); Salary range between Rp.17 – 36 million per month depending on qualifications, experience and salary history.

Scope of Work: The incumbent manages and provides technical review of all bilateral and centrally funded project activities in maternal health, reproductive health and family planning programs. S/he provides advice as required on activities related to establishing and maintaining effective maternal health, reproductive health and family planning services. S/he provides support in medical practitioner, midwife and other health care provider training, conducts monitoring and evaluation of these activities.

S/he maintains active liaison with the Ministry of Health, Ministry of Women's Empowerment, BAPPENAS, BKKBN, international organizations and voluntary agencies to ensure effective coordination of all maternal health, reproductive health and family planning programs. S/he represents BHS/Health office as a member of the White Ribbon Alliance, Indonesian Midwives Association (IBI), professional medical organizations e.g. IDI, IDAI, POGI and other related professional groups. S/he represents BHS/Health office at technical meetings and scientific conferences where substantive technical input on maternal health, reproductive health, family planning and other related topics are required in order to represent USAID health program activities.

Qualifications: Medical Doctor or PhD with Masters' Degree from an accredited university in Public Health, midwifery, nursing, or maternal health. Ten (10) years of progressive experience in managing public health programs at the national or provincial level, especially in maternal health, reproductive health and/or family planning programs.
